

MOUNT SNOW SKI CLUB MEMBERSHIP MEETING

January 24, 2009

4:30 P.M.

The Board members that just finished their Board meeting went to the lunch room to meet with the general membership. There were approximately 12 ski club members in attendance.

1. Glenn Mackno, President, opened up the meeting with introductions of the Board members who were present.
2. Glenn spoke about the responsibility of the Vice Presidents of the different disciplines.
3. Glenn gave an update on the building including the new carpet, painting of the building, and improvements in our microwave area.
4. Glenn spoke about our MSSC lease being up in 2013 and what we are doing about that situation. We do have a committee meeting on January 31st about this issue.
5. Joel Kimball spoke about our finances. We are a non profit organization so what comes in, goes out! We were fortunate to have put our investments into a secured CD so we did not lose any money this past year! Membership is up but expenses are up as well. We also put a lot of money into enhancing MSSC programs as well as helping out MS Academy.
6. Our membership has been doing a lot of volunteer work.
7. A.J. Incorvaia updated our web site.
8. Nominating committee will be looking for replacements for the VP of Snow Board and the VP of Freestyle. President position is up, as well. Also all of the standing committee chairs are up since they are all one year terms. Ways and Means is also still open.
9. Sue Byron spoke about the social events for the club. She is looking for help with any of the social events. The last event for the year will be the volunteer party in the ski club. Next year Sue will be organizing a wine tasting party at the White House.

After this part of the meeting was finished, Glenn opened up for question and answers by the members in attendance. The discussions that followed by the members were:

1. Stickers on lockers saying people still owed money in December when the payment deadline was suppose to be September 30, 2008.
Glenn responded by saying that since our MSSC administrator left us “high and dry” during the registration months, we had to catch up and clean up the mess behind. We could not penalize our members since their was no one “watching the store”. It took Ariel time to catch up with our club needs.
2. A recommendation was made by a member to put Stickers on everyone’s lockers the beginning of March to remind them of the September payment deadline for 2009.
3. The new proposed guest rule was discussed and the members, for the most part, agreed that we have to do something to be able to control the guest situation. No one wants to feel the club has to be watched by security guards so hiring a “Club Manager” feel a lot better to the members that were present.

Meeting adjourned at 5:30 P.M.

Minutes respectfully submitted by,

Patsy Kamercia
MSSC Secretary
